

Dear 7<sup>th</sup> and 8<sup>th</sup> Grade

Parents,

Next year, we will be using a binder system in 7<sup>th</sup> and 8<sup>th</sup> grade. This is in an effort to improve the organization skills of our students and to instill good organizational habits for high school and beyond. The binder will be one of your child's primary learning tools, making sure that all supplies get from class to class and from school to home. Your child's homeroom teacher will help your student set up the binder system when school begins, so there's no need to worry about getting things organized at home!

In order to correctly implement this binder system, your child will need a 3" – 4" binder. We recommend a zippered binder. The zippered binders are more durable and usually have a carrying strap. Your student will also need a pencil pouch that has holes at one side so that it can be inserted into the binder. We'll add an assignment notebook, paper, dividers, and a few extras to have a complete organizational system. We have found that this binder system cuts down on forgotten materials as students move from class to class.

The binder system will be further explained over the first days of school. If you have questions over the summer about the supplies needed or would like recommendations, feel free to email Ms. Quisenberry at [nquisenberry@stritacatholicsschool.com](mailto:nquisenberry@stritacatholicsschool.com). We look forward to helping your child become a well-organized, responsible junior high student in the fall!

Sincerely,

Ms. Quisenberry, Ms. Crespo, and Ms. Bohr

St. Rita Junior High Team
